There is a sto - ry told How in days of old There lived a chim - ney sweep  
While oth - ers laughed in scorn At this lad for - lorn His heart did not de - spair.

*p*

When the world was fast a - sleep To his chim - ney he would creep.  
Ev - 'ry night would find him there Sing - ing soft his lit - tle pray'r.

The second system of the vocal melody and piano accompaniment. The voice part continues the melody, and the piano accompaniment provides a consistent harmonic support.

There high up in the air, of a Prin - cess fair He'd dream the night a - way.  
Then on a mag - ic night, all ar - rayed in white, A ti - ny Prin - cess came.

The third system of the vocal melody and piano accompaniment. The voice part concludes the melody, and the piano accompaniment ends with a final chord.

Twin-kle, twin-kle, lit-tle star a-bove me; Will my Prin-cess ev-er come to love me?

*stacc. p-mf*

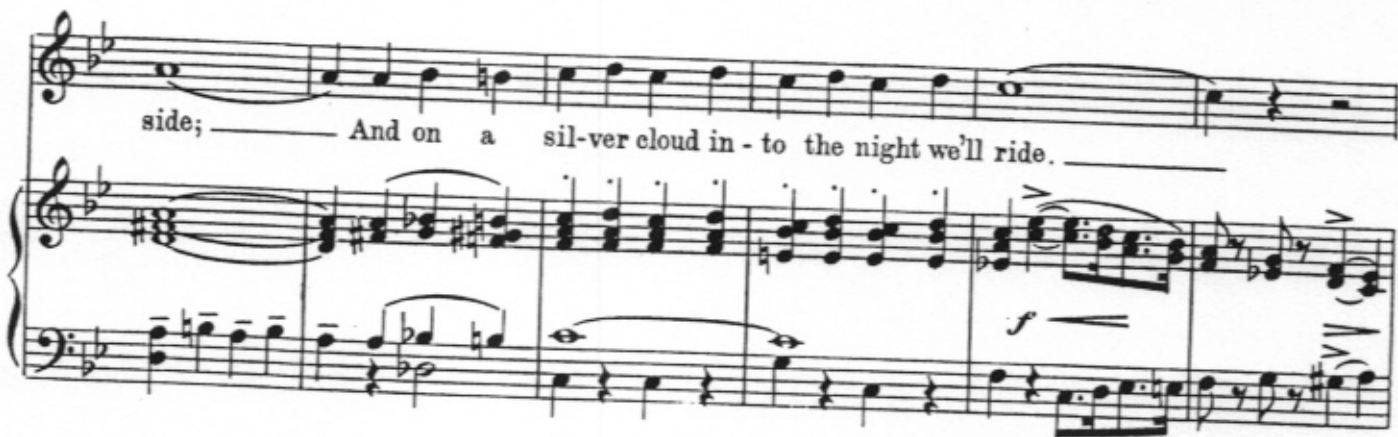

Tell me if you know,

Let your love - beams search un-til they find her; Send your love dreams gent-ly to re-mind her

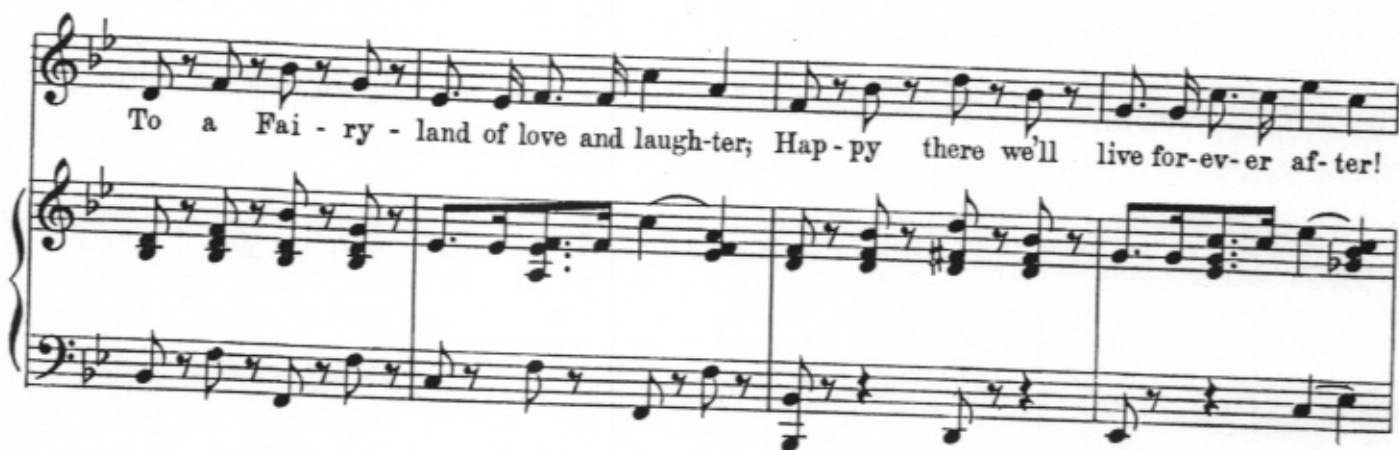

That I love her so. \_\_\_\_\_ A-long a path of star dust lead her to my

side; \_\_\_\_\_ And on a sil-ver cloud in - to the night we'll ride. \_\_\_\_\_

To a Fai - ry - land of love and laugh-ter; Hap - py there we'll live for-ev-er af-ter!

Twin-ke, twin-ke, twin-ke, lit - tle star. \_\_\_\_\_

1. \_\_\_\_\_ 2. \_\_\_\_\_
