A Little Girl At Home

DUO

Cindy and Prince

Lyric by  
JAMES O'DEA

Music by  
VICTOR HERBERT

Molto moderato

PRINCE

A lit - tle girl at home I'd like to  
That lit - tle girl at home I'd greet with

CINDY

PRINCE

have, I would, I swear, A lit - tle girl at home? What do you mean? — A  
kiss - es ev - 'ry night, You'd lin - ger at the club, how - ev - er fond. — With

CINDY

some - one like your dain - ty self, To give me greet - ing there. Re -  
an - y oth - er girl I'm sure I'd fail to find de - light. Now

PRINCE

mem-ber I am o - ver sev - en - teen. — Don't laugh at my pre - ten - tions, dear, We  
 how a - bout some fas - ci - na - ting blonde? — For blondes I nev - er cared, For with their

all must dream at times, I'd hold her hand and think it grand To  
 all en - snar - ing lures, I much pre - fer the sort of charms That

CINDY

PRINCE

*p espressivo*

hear sweet wed - ding chimes. Would you love her? Would I love her? As the  
 cor - res - pond to yours. Could you love me? Could I love you? I could,

sun - shine loves the foam, Or as flow 'rets love the dawn, I'd love that lit - tle girl at home. —  
 dear, and I — do, There is no one in this world Can take me from the side of you. —

REFRAIN  
CINDY

When you've got a lit - tle girl at home, be-lieve me, You've got some-thing rare,

PRINCE

*p-f*

Some - thing worth a some-thing more than all on earth, In some one sweet and fair.

Eyes that smile and eyes that tempt you for a while, May thrill you through and through. — But you'll

nev - er roam When that girl at home says, "I love you."

*p*

The Quintessence of Poetry and Music.

# Love Laid His Sleepless Head.

Lines by  
ALGERNON CHARLES SWINBURNE.  
Very Slow.

Music by  
VICTOR HERBERT.

Love laid his sleep-less head, On a thorn-y rose-bed, And his  
eyes with tears were red And pale his lips as the dead.  
And fear and sor-row and scorn Kept watch by his head for-lorn. Till the  
night was o-ver-worn And the world was mer-ry with morn.

## GEO. L. SPAULDING'S NOTE-SPELLER

Trade-mark Registered 1911

This is the biggest little book ever published, it was invented to overcome the greatest drawback pupils have to contend with, *i. e.*, that of identifying the notes.

If you are learning to sing or play the piano, organ, violin, cornet, clarinet, flute, trombone or any other musical instrument, the "NOTE-SPELLER" will teach you to read the notes accurately in a small fraction of the time heretofore consumed, without in the least interfering with your present routine of practice.

In one month, students of the "NOTE-SPELLER" will have leaped a year ahead in their studies. The foundation for the study of music is between its covers.

Read what some of the most prominent pedagogs have to say regarding it:

CHARLES DENNÉE—"It ought to be a very popular book."  
GUSTAV L. BECKER—"It is bound to be successful."  
ARTHUR FOOTE—"I should say it would answer its purpose well."  
HENRY L. GIDEON—"The booklet will come into wide popularity."  
F. E. FARRAR—"I shall use it myself."  
ERNEST R. KROEGER—"Will become a standard."  
LOUIS STILLMAN—"It is thoroughly practical."  
RAFAEL SAUMELL—"I congratulate Mr. Spaulding."

## FINGER PRACTICE

IN THREE VOLUMES

By RAFAEL SAUMELL

The product of practical experience and the only work with its laudable mission on the market, *i. e.*, to give the muscles of each finger the necessary agility to properly execute all intricate passages with apparent ease.

The flattering testimonials received from pedagog authorities prove that these books are destined to become thumb-marked volumes in every ambitious student's library. The exercises for the passing of the thumb are an acquisition indeed. Mechanically they represent the greatest excellence in engraving and printing, the very best material being used throughout.

## Concentration and Technic

IN FOUR VOLUMES

Piano Exercises for Developing the Fingers

By LOUIS STILLMAN

In order to become an accomplished pianist it is necessary to have perfect control over the muscles of the fingers. The exercises contained here have been constructed mainly for that purpose, and if systematically practiced cannot help but bring the necessary result.

The work faithfully lives up to its title, for it has a mental and muscular influence on the mind and fingers which encourages confidence and ease in playing in any key and scale.

Vol. I—Five Finger and Chord Exercises (all keys) Price 50c  
SPECIAL PRICE POSTPAID..... 35c

## A Practical Piano Course for Beginners

By EDUARD HOLST

This work starts the pupils at the very beginning and carries them by easy stages, step by step, to the early third grade music. The technical explanations are most easy to understand, and never does this course of instruction become tiresome to the student. At every opportunity the composer has inserted a recreative melody, rather than a tedious exercise.

Regular Price, 75 Cents  
SPECIAL PRICE, POSTPAID..... 35c

## Music Teacher's Pocket Account Book

Is a handy, ever-ready ledger, especially ruled for the purpose of keeping a correct account of the lessons given and music furnished pupils for one year. An invaluable time-saver for any music teacher.
