

Let The Fiery Cross Be Burning.

Henry A. Grady.

TUNE—"Let the Lower Lights Be Burning."

P. P. Bliss.

1. On the hill tops, on the moun-tain Bright-ly gleams our mys-tic sign;
2. Ser-ried ranks in stain-less ar-mor, Kneel be-fore that flaming tree;
3. Side by side, al-ways non Sil-ba, Songs of praise and promise sing;
4. Clasp the cross, oh, Klansman peerless, Pledge to God Thy strength anew;
5. Ral-ly 'round the sa-cred al-tar, Purged of sin and base-less fear;

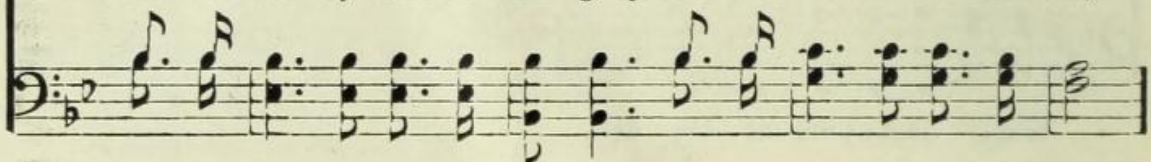

Call-ing Klans-men to the fount-ain, Filled with drops of love di-vine.
 Pledg-ing life and wealth and hon-or, All for Christ and chiv-al-ry.
 Hand in hand, al-ways Sed An-thar, All for Christ, the Klansman's King.
 Stand ye forth e-rect and fear-less, Strike for home and kin-dred true.
 Ne'er shall Knight in ar-mor fal-ter, Nor shall cra-ven en-ter here.

CHORUS.

Let the Fie-ry Cross be burning, Spread its beams o'er land and sea;

Sa-tan's wiles for-ev-er spurn-ing, Bring-ing Christ to you and me.

Above song recorded by Chicago Male Quartet on Record No K-5.
