Song Folios

that are different!

BING CROSBY'S POPULAR SONG FOLIO is one of the most successful folios we've ever published. The reasons are obvious, since so many of

Der Bingle's favorites are included. Songs like San Fernando Valley; Sunday, Monday, Or Always, and a dozen other equally famous songs. If you've a flair for comedy

THE AL TRACE FOLIO OF COMEDY SONGS

is the zaniest of them all.

A natural for that boy in the service, too. Tell It To The Chaplain, and Look What The Draft Blew In, suggest the type of laugh-provoking songs Al Trace has compiled. Then there's A Porter's Love Song To A Chambermaid and ten additional fun songs that make this collection a real stand out. **JOHNNY MERCER'S MUSIC**

SHOP

is a folio we're especially proud of. Here we have eleven songs all written by this most popular of popular song writers. Among them some of his biggest hits. Songs like Skylark, My Shining Hour, Blue Rain, and, just to demonstrate Johnny's versatility, there's Strip Polka, well-remembered as an Andrews Sisters' success, and even On Behalf Of The Visiting Firemen, famous as a Crosby-Mercer disc. Really a swell folio!
