Song Favorites

- These compositions, by such significant composers as Peter De Rose, Alfred Newman and David Raksin were first published as piano solos.

- As their popularity increased, and the theme melodies attained universal renown, repeated requests from singers made it necessary to adapt them into song form.

- Consequently, such outstanding lyricists as Johnny Mercer, Harold Adamson, Mitchell Parish and Sammy Gallop were commissioned to adapt lyrics to these beautiful themes.

- The success of this series is best illustrated in the tremendous acclaim these songs have received on radio, concert and school programs.

- No repertoire of modern American ballads can be considered complete without these distinguished song favorites.
