## 3rd VERSE.

When you come home for supper, and you have to wait till nine,  
Smile, just simply smile.  
And if you have to rock the twins, to sleep before you dine,  
Smile, just simply smile.  
You have to take one on your knee to stop his awful cry  
He stuffs potatoes in your ear, molasses in your tie  
And when he gets the knife and fork and jab them in your eye,  
Smile, just simply smile.

## 3rd CHORUS.

Smile, just simply smile, try to keep yourself a laughing all the while  
If your wife runs 'way from you just feel glad you haven't two,  
Smile, just simply smile.

## 4th VERSE.

When all your wife's relations visit you from far and near,  
Smile, just simply smile.  
If they send for their baggage and decide to stay a year,  
Smile, just simply smile.  
Her two big brothers wear your shoes, her father wears your hat,  
They eat the best meat in the house, and leave you all the fat,  
So when they use your tooth brush for to scrub their dog and cat,  
Smile, just simply smile.

## 4th CHORUS.

Smile, just simply smile, try to keep yourself a laughing all the while  
Never mind your wifie's Ma, She some day may get lockjaw  
Smile, just simply smile.

## 5th VERSE.

If when you're out pleasure and your auto car breaks down  
Smile, just simply smile.  
And if you walk through rain and mud for seven miles to town,  
Smile, just simply smile.  
You dress up quick then leave your home to call on Sallie dear,  
And on a nice banana peel you slip and bump your ear,  
You may be mad of course, but if a lady's standing near,  
Smile, just simply smile.

## 5th CHORUS.

Smile, just simply smile, try to keep yourself a laughing all the while  
If some fat man steps his heel on that same banana peel.  
Smile, just simply smile.

## 6th VERSE.

When hubby says, "Dear wife you are, my only peachy pearl  
Smile, just simply smile.  
That photograph you found, is mother's when she was a girl  
Smile, just simply smile.  
Sometimes he sits up with a friend who's sick and nearly dead  
He whispers that he's all tired out, then tumbles into bed,  
But when you see him sleeping with his hat upon his head,  
Smile, just simply smile.

## 6th CHORUS.

Smile, just simply smile, try to keep yourself a laughing all the while,  
While he snores and acts so strange that's the time to get his change  
Smile, just simply smile.

I love you, I love you, I love you, Mayme,  
It's like to be there with a real pret-ty girl, But three sim-ple

need you, is all that I know, My love to your ma, kind re-  
gards to your pa, And kiss-es to you from Joe.
