 D.C. VERSE

# 100 NEW VICTORY VERSES of IT AIN'T GONNA RAIN NO MO'

By WENDELL HALL

1. (Oh the) Japs won't know what hit 'em  
They'll know they're in the wrong,  
We'll strip their gears and pin their ears  
Right back where they belong.
2. (Oh the) Japs are asking for it  
They'll get it, Boy, and how,  
Those slipp'ry guys with slanting eyes  
They'll take a bye bye how.
3. We'll knock 'em on the Cocio  
Those Tokio baboons,  
We'll go thro' them (like a) dose of oil  
(Like a) pair of twin typhoons
4. Rumania fights United States  
While Russia fights the Finn,  
When bombs are hurled on a cock-eyed world  
It's time we're stepping in.
5. (Oh the) Hotsy-Totsy Nazis  
(And the) Jap who hunts a fuss,  
A battalion of Italians  
They're all the same to us.
6. "Oh why oh why?" the Japs will cry,  
"Did we pick on those guys,  
We should have known, and (let 'em) alone  
Or picked someone our size!"
7. We'll drop American matches  
(To the) tune (of the) Bombers roar,  
(All the) Jap bamboo and Tokio too  
It Ain't Gonna Be No More.
8. We'll slap the Jap, he'll take the rap,  
And he'll be quite unhappy,  
Instead (of a) snappy little Jap  
He'll be slap-happy Jappy
9. (With a) good American Socko  
We'll snap the Jap regime  
We're bound to win they(gotta) give in  
When we turn on the steam.
10. We'll slap the Jap, we'll slap him down  
We'll sock him on the chin  
The Japs will find that we're the kind  
That fight until we win.
11. (We will) finish ('em up) this time for good  
(With a) sock a slap (and a) slam,  
The Axis won't get fresh again  
With good old Uncle Sam.
12. We'll slap 'em high and slap 'em low  
We'll slap 'em 'round and 'round,  
We'll put ('em on the) run those son-of-a-guns  
They need a slappin' down.
13. The Japs all thought they'd knock us off  
With cute Jujitsu tricks,  
But now they find that they're behind  
An Army mule that kicks.
14. We'll take those Japs and make them eat  
Their doggone Sukiyaki,  
We'll cram it down their throats and then  
They're not gonna be so cocky.
15. We'll slap the Japs, they'll know they're saps  
We'll slap 'em left to right,  
We'll bomb their bamboo bungalows  
And show them how to fight.
16. We'll slap those Japs and slap 'em hard  
We'll catch 'em in a trap,  
We'll rid the Seas of Japanese  
We'll slap 'em off the map.
17. They picked the fight, they picked on us  
They'll learn what fighting means  
For they forgot we've got a lot  
Of United States Marines.
18. Those flying Japs thought they were good  
The World they thought they'd lick,  
(But the) Air corps of the U.S.A.  
Will make that gang look sick!
19. We'll kick the pants right off 'em  
We'll lick 'em once for all,  
The Italians, Japs and Nazis  
Are headin' for a fall.
20. Will we remember Pearl Harbor?  
We will remember and how!  
We won't forget and you can bet  
It's "On To Tokio" now!
21. We know now what the fight's about  
And we know what to do,  
And ev'ry last American  
Is going to see it through.
22. That Axis band of gangsters,  
Will find us in the way,  
They forgot what fightin' fools we are  
In good old U.S.A.
23. We're all Americans over here  
No matter where we're from  
When nations start to pick on us  
We'll clip 'em as they come.
24. We're "All-Americans" over here  
In Air, on Sea or Land,  
We'll stick together thro' it all  
United we will stand.
25. We're all Americans over here  
A-ridin' down the trail,  
So pity (the) guys who criticise  
We'll ride 'em on a rail
26. We're Americans one, Americans All  
From North, South, East and West,  
Thro' thick and thin we're mustered in  
And we can stand the test
27. We know just what we're doin'  
And what we're in it for,  
So "Go to Hell's our battle yell"  
We're out to win the War.
28. Americans don't knife from behind  
Don't strike when enemy sleeps,  
We hit 'em clean and what I mean  
The guy goes down for keeps.
29. We'll stop the Nasty Nazi  
We'll pop the son-of-a-Hun,  
We'll punch him 'round and wear him down  
We'll put him on the run!
30. The World it seems just wants to fight  
We're peaceful loving guys,  
We don't like Wah, (but a) sock in the jaw  
(Is in) what we specialize.
31. (From the) land of the sky blue water  
(From the) land of the setting sun,  
We're in this War and what is more  
We're in (to the) very last one
32. So sock the grandstand managers  
These guys that gripe and guess,  
(Put the) know-it-all's behind stone-walls  
And we'll clean up this mess.
33. We're fightin' mad, why shouldn't we be  
And soon they'll want to quit,  
But we're not done (till the) son-of-a-gun's  
Get the worst of it.
