VOICE

They say don't change for old
They say the old time things

Piano

for the new,
are the best.

But I've found out that this will,
That may be too - y good for

me - or do -
all the rest.

When you grow old you don't last long -
But I'm just bet the old things be -

You're here - to - day and then to - mor - row you're gone,
 Cause they are not - told - by me.

I loved a girl for three - years gone by - - - - -
 There was a time when I thought that way - - - - -

That's the way for me - - - - -
 That's why for all a - time - - - - -

are - at the - - - - -
 here to - day - - - - -

He made some thing - so that would
 place us - by our - - - - -

are - at the - - - - -
 here to - day - - - - -

change - - - - -
 change - - - - -

CHORUS

For there's a change in the world - or there's a change in the sea - - - - -
 For there's a change in the look - ing there's a change in the show - - - - -

No from new another like a change in me. My wife will be old - I want my
 Things a new way for you give get these things, I must make some change - so from

old but you want
 old to be new

Not - in' - is - best for - to - give' to - for - the - same. I - give' to
 I - must - do - things - just - the - same - as - the - old - one - do. I - give' to

change my way of liv - ing if that
 thing - my - best - and - find - my - for - is

and - is - enough
 to - be - the - best - for - ...

Then - I'll - change - the - way - that - I
 live' - so - change - for - some - for - where

Must my child, I want
 I - love - at - the - girls - to - try - some - it - is - to - dye - my - hair

no - body - wants - you - when - you - are - old - and - gray

There'll - be - some - change
 There'll - be - some - change

made to - day
 made to - day

There'll - be - some - change - so
 There'll - be - some - change - so

made for - there's - a - made
 made for - there's - a - made
