### *Magic Melodies in the Early Grades...*

A graded collection of elementary piano pieces for the eager, exploring fingers of music making novices. ### *Magic Melodies from the World of Song...*

The unusual content of its 259 pages affords an open door to those enduring melodies which are virtually a necessity in the experience of all who have an interest in vocal music. ### *Magic Melodies of the Gay Nineties...*

The songs of yesterday that are beloved by the singers of today. A collection of over eighty old timers, that remain perennially young in spirit.
