

Chorus, Moderately with Spirit

Why are the stars of - eyes with - out and black - out? A - hoo! What makes a
 M - an - and black - out of black - out in love? I told the women, the women to
 play on the town, it's just in - my's face. What makes a
 G - o - by - night - y go out on the town? Why does a gal - ter - ter - ter in
 search of a good? What puts the cat in a black - out, the dog - it is just?
