has a rule \_\_\_\_\_ He turns down the light hang - ing in the

an - y sap \_\_\_\_\_ He's in love with a cu - tey  
ves - ti - bule \_\_\_\_\_ Tho' he starts to leave earl - y

She is real - ly a beau - ty      He gets tongue - tied when she's by his side.  
He stands there with his girl - ie      Till her moth - er comes down aft - er her.

## CHORUS

He whis - pers I love, lu - lu - lu - lu' - lu - love you dear in - deed I do

I hope that you love, lu - lu - lu - lu' - lu - love me dear, like I love you

I wish that I could stop my heart from flut - ter - ing - That's the reas - on I am

stut - ter - ing Just the same what I claim is true I think that

your kiss, ki - kiss, ki - kiss, — your kiss is simp - ly just di - vine

It brings me such bliss, bl - bliss, bl - bliss, — such bliss to press your

lips to mine — It's al - ways like this, like this, th - this, — like this each word I'm

ut - ter - ing — I'm al - ways stut - ter - ing — when I'm with

you. He whis - pers you.
