Do You? That's All I Want To Know!

(Girl's Version)

Oh, baby! Oh, baby! When I look at you,
Why is it that you thrill me so?
I'm nervous—excited—Don't know what to do.
There's one thing that I have got to know:

Chorus

Do you like me a little bit?
I mean a little 'little bit?
Do you? You do? That's all I want to know!
Do you like me some more than that?
This much? Or maybe more than that?
Do you? You do? That's all I want to know!
And do you like my certain style?
I think I'll stick around a while.
Do you make lots of money, dear?
Ten thousand dollars every year?
Do you? You do? That's all I want to know!

2nd

Do you mind sitting over here?
Do you feel nice and cozy, dear?
Do you? You do? That's all I want to know!
Do you think you could really be
Nice to a little girl like me?
Do you? You do? That's all I want to know!
And would you like a little home
A cozy place to call your own?
Do you like little kiddies, too?
How many? *I'm surprised at you!*
Do you? You do? That's all I want to know!

3rd

Do you have your own little bus,
One that will hold the two of us?
Do you? You do? That's all I want to know!
Is it a Packard, did you say?
What's that? A little Chevrolet?
Is it? It is? That's all I want to know!
Oh, by the way, when I'm your wife
And I am hooked to you for life,
Do you expect your wifie to
Cook, scrub and also wash for you?
Do you? You do? *Then go get someone else!*

4th

Do you get little thrills from me?
Do you? Now, confidentially,
Do you? You do? That's all I want to know!
Do you think I can trust you, dear,
With all those other women here?
Do you? You do? *Oh, what a sap I'd be.*
Well how about a little bite
When we are finished here tonight?
The Ritz is just across the way.
Oh, you like Childs's better, eh?
Do you? You do? That's all I want to know!

(Extra Choruses for Boys)

1st

Do you like cuddling up to me?
Tell me—now, confidentially,
Do you? You do? That's all I want to know!
Do you think of a little nest,
Kitchen and parlor and the rest?
Do you? You do? That's all I want to know!
Well, how about a boy like me?
Oh, gee, how happy we could be!
Do you want me to buy the ring?
Do you like kids 'n everything?
Do you? You do? That's all I want to know!

2nd

Do you like books by El'nor Glyn?
Do you like Scotch and Gordon gin?
Do you? You do? That's all I want to know!
Do you get sentimental when
You're with a perfect gentleman?
Do you? You do? That's all I want to know!
And when you ride with someone who
Says he must have a kiss or two—
Do you get very, very mad?
Walk home? What's that? *Your feet are bad?*
Are they? They are? That's all I want to know!

3rd

Do you like staying right at home?
Like this—the two of us alone?
Do you? You do? That's all I want to know!
Do you like sitting close to me—
You know, just nice and sociably?
Do you? You do? That's all I want to know!
Your little flat is very nice.
Oh, baby, this is Paradise.
Did you say you are married dear?
Husband? *And he might catch me here?*
He might? Good night! That's all I want to know!
