An - y oth - er place half so grand I want to tell the world and I don't

blig'd to you If you'll tell me where I've wan-der'd to This is one place
mean to bluff Those who praise it don't say half e - nough Now I know why

I've nev - er seen be - fore And I won - der what it can be
folks here are al-ways gay Now I real - ly do un - der - stand
