don't think that is fair, So now I'll write one of my - self:  
loud - ly shout there's some one else, And then this wild re - frain:

I love me, I love me, ev - 'ry place I go, I love me,  
I love me, I love me, I'm wild a - bout my self, I love me,

I love me, and at a mov - ie show I take my-self right by my arm and  
I love me, my pic - ture's on my shelf, You may not think I look so good, but

I should chance to pass, And give my - self a hug and squeeze as

## Additional Choruses

### I Love Me

#### 1

I love me, I love me, my birthday's once a year  
 I love me, I love me, and when my birthday's near  
 I go with me and buy myself  
 Some gifts to put away  
 Then I surprise myself with them  
 When me wakes up that day  
 I love me, I love me, I'll marry me some day  
 Right away, Saturday, I'll give me all my pay  
 With me I like to make a date  
 To meet myself at half-past-eight  
 If I'm not there I never wait  
 I'm wild about myself

#### 2

I love me, I love me, I love the way me talks  
 I love me, I love me, I love the way me walks  
 I take me to the ball-room and with me dance 'round the floor  
 And if me steps upon my feet—at me I don't get sore  
 I love me, I love me, I'm always in my sight  
 I love me, I love me, I'm with me day and night  
 To me my love I'll always give  
 And one thing that is positive  
 If me dies I won't care to live  
 I'm wild about myself

#### 3

I love me, I love me, for better or for worse  
 I love me, I love me, for me and not my purse  
 I like to have a secret that I share with me alone  
 Because myself can trust me not to make my secret known  
 I love me, I love me, I'm my sweetheart's beau  
 I love me, I love me,—not one can stand a show  
 I took me walking down the lane  
 Told me a joke that was profane  
 I'll never speak to me again  
 I'm wild about myself

#### 4

I love me, I love me, I think me is a prize  
 I love me, I love me, 'cause me is just my size  
 I take me in my parlor and I sit on my settee  
 And then I lift myself right up and bounce me on my knee  
 I love me, I love me, I never leave my sight  
 I love me, I love me, I'm with me day and night  
 Myself and me we have a fight  
 And I can't fall to sleep at night  
 'Till I kiss me—then I'm all right  
 I'm wild about myself
