VOICE

Hap-py?
Oh, boy!

I'm here to shout
Look what I've got!

Noth-ing could make me cry;
Ev - 'ry-thing comes my way,

p

Hap-py?
Oh, joy!

And what a - bout?
I'll tell you what,

Wait-'ll I tell you why.
Let's tie the knot to - day.

Had a lit - tle dream last night 'Bout the one I love.
There's a preach-er right next door, To our friends I'll phone.

And it filled me with de-light, Guess who I was dream - ing of: _____
No - bod - y will be sur-prised Cause I'm sure they've al - ways known: _____

CHORUS

It's you— that's who, I mean— it's true; And no one else will

do. _____ I hope— it's me, how glad— I'll be; With

no one else but you ———— And the day that we walk down the aisle,

— Tho' it may — seem a mile, — I'll be proud as the crowd — watch a

hap-py coup-le smile. They'll see — just two, One's me — one's who? It's

no one else but you. It's you. ————
