VOICE

I thank the stars to-night, My luck - y stars to - night,  
Stars up a - bove to - night, Know of my love to - night,

Be - cause I'm here with you. They light my way to - night,  
A love I can't con - ceal. Your eyes a - glow to - night,

They seem to say to - night, My dream will soon come true:  
Tell me they know to - night, All that the stars re - veal:
