Some-how I wor-ry and pine.  
If you ex-plain to me why.

CHORUS

You're so near and yet so far, now what can I do?

You have charms, and both my arms are ach-ing for you, — What's the use of

dream-ing dreams? — With the dawn you are gone, so it

seems. ————— You're so near and yet so far, now what can I say?

————— Tho' you're real some-times I feel you'll van-ish some day, —

When I think you're in my heart, We're still miles a - part, — You're so near, and

yet so far a - way. ————— 1. ————— 2. ————— way. —————
