Ev-'ry-one's hol - ler - ing "me oh! my, - We're in a ter - rib - le hole;"

Sat-an is freez - ing 'way down be - low, - He feels a ter - rib - le chill;

Ev-'ry one's hol - ler - ing "tell us why - There is a short - age of coal?"

Still he won't use - up his coal, oh! no, - Sat - an is wait - ing for Bill.

I have the whole - thing fig - ured out, - Real - ly it is - nt so bad;

If he can stand - it, why can't we? - Tell all the grumb - lers to pause;

I know the cause - with - out a doubt, - Why there's no coal - to be had.

Al-though we freeze - let's shout with glee, - It's for a won - der - ful cause.
