I heard a wood-land mel-o - dy, — As I sat down be-neetha  
 You need a sim-ple mel-o - dy, — Just like the buzz-in' of a  
 tree; — And then a bee came wing-ing, sing - ing, sing - ing, And he stopped in front of  
 bee; — And then you get ex - cit - ed, so de - light - ed, With that charm-ing har-mon -  
 me. — Just then an - oth - er bee flew 'round, — And they both sat up - on the  
 y. — You take your girl up - on the floor, — And get the band to play some  
 ground, — Then I heard one say, "I'll show to you, — Some-thing strict - ly new."  
 more, — Then you spin her like a great big top, — Till she hol - lers, "stop!"

Then take a tum - ble, And do the bum - ble; Get a lit - tle clos - er as you

start to sway, — If she whis - pers "no sir," then you jump a - way, — Buzz your bus - y ba - by to the
