

I'M NOT AFRAID

words and music by

IRVING BERLIN

When the skies are not as clear
as they used to be
there are salesmen selling fear
but they can't reach me
for I have faith in my country
and the men who guard our shores
and I'm not alone
for the faith that's mine is yours

I'm not afraid
of those who try to frighten us
I'm not afraid
of plots our foes have laid
for I believe in America
and most of us in America
will always be Americans unafraid
