My sweet hon - ey, make a start,
My sweet hon - ey, hear the chimes,

See the long - ing in my eye,.....
Ring - ing out the hour of ten,.....

Some sweet something
Kiss me dou - ble

'round my heart, Feels like I'm go - ing to die.....
twen - ty times, Then come and kiss me a - gain.....

Locked up in your lov-in' arms I want to be, Throw the key in the
One, two, three, four, wait a while, the four you passed Came too fast, make 'em

sea, Gee! Come up clos-er; till I know
last, blast! Good-bye, hon-ey, call a-gain,

Noth-ing can break us a-part.....
Don't go, I'm chang-ing my mind.....

CHORUS

I've got to have some lov-in' now,..... Won't you let me show you

how, Now hug me like a bear, Come and muss my hair, Give me a kiss.... on the

brow..... Come, be a nice sweet hon-ey like you should, And love me while the

lov-in's good;..... I may die in the morn - ing, So I

1. want some lov - in' now..... I've got to, now.....
