*Dm7

For when I dare to think of you, All my met - a - phors get mixed; When I dare to

look at you, I stand here, si - lent - ly trans - fixed.

Refrain - Moderately, with feeling

LOST in your spell, I'm LOST as an - y

fool can tell. How I need you be - side me,

*Symbols for Guitar, Diagrams for Ukulele.

How I need you to gen - tly guide me. LOST when you

smile, You smile and time stands still a -

while. For I be - hold a work of art,

I long to speak, but how to start, When I've just

LOST my heart. heart.
