At last I've heard you say the things I've longed for you to say. My hopes were never quite so high — I

nev-er felt as hap-py as I do to-day — And I know that you know why.

Chorus — Slowly (with feeling)

BY THE WAY — Was-n't that a dream last night — Seems I bare-ly closed my

eyes. And you were there. BY THE WAY — And to my complete sur-prise —
