COLUMBIA'S CALL is a new March that is equal in every respect to our world-famous "National Emblem." Very "showy" yet easy to play. The Trio strain is the most wonderful "singing" melody ever written. Two thousand (2,000) copies were sold over one music counter in two weeks. If "Columbia's Call" is not obtainable from your local dealer send 16 cents in stamps direct to the publisher, Walter Jacobs, 8 Bosworth Street, Boston, Mass.
