Late and ear-ly I don't care. Think-ing of the sun-ny days to be. _____
 Then at last I re-al-ize, You're the one to share my house of dreams. _____

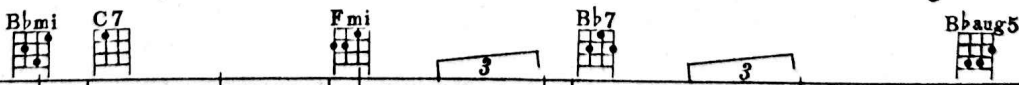

CHORUS 

All the world seems in rhyme, Since I spend all my time, Build-ing a

home, build-ing a home for you. _____ And in each lit-tle

space, I see your smil-ing face. Build-ing a home, build-ing a home for

you. I've planned a lot, I've worked a lot, but that's no work to

me. For all the time, I'm think-ing just how pleased you're going to be. And I

dream of the fun, when the good work is done. Build-ing a home, build-ing a

home for you. All the you.
