WE WANT WILLKIE

1
WENDELL WILLKIE is the man we want for President;
WENDELL WILLKIE is the man to win, it's evident;
For the right he'll always stand;
And he will unite our land;
For our leader he is meant.

2
WENDELL WILLKIE is the man whose courage will not fail;
WENDELL WILLKIE is the man who'll weather ev'ry gale;
He is fair to friend and foe;
To the White House he must go;
He's the man we soon will hail.

3
WENDELL WILLKIE is the man who hates dictators all;
WENDELL WILLKIE is the man they never will appal;
He will build up our defense,
Using Hoosier common sense,
Till we're ready for them all.

4
WENDELL WILLKIE knows that we are wise to all this fuss;
WENDELL WILLKIE knows why his opponent won't discuss;
Faith he has in our own way,
Joins the People as they say
"GIVE OUR COUNTRY BACK TO US!"

5
WENDELL WILLKIE is the man whose goat you cannot get;
WENDELL WILLKIE is the man who knows his alphabet;
A-A-A to R-F-C
Cry out for economy;
Willkie's way is our best bet.

6
WENDELL WILLKIE is the man who's going to make things hum;
WENDELL WILLKIE is the man who knows we're "not so dumb";
Candysticks are not his line;
Fifty billions we'll repine,
For the reck'ning day will come.

7
WENDELL WILLKIE is the man who hates the hand-out way;
WENDELL WILLKIE is the man who knows his U. S. A.;
Reckless spending of our dough
Doesn't make the country go,
For the People always pay.

8
WENDELL WILLKIE knows there is no indispensable man;
WENDELL WILLKIE knows the third term is a foxy plan;
Washington and Jefferson
Put that idea on the run,
As we'll put the New Deal plan.

CHORUS

WE WANT WILLKIE! WE WANT WILLKIE! WE THE PEOPLE all agree.
WE WANT WILLKIE! WE WANT WILLKIE! He'll protect our liberty.
WE WANT WILLKIE! WE NEED WILLKIE! He will lead to victory.
WE WANT WENDELL WILLKIE for our NEXT PRESIDENT.
