Extra Choruses

If you've been traveling by plane
And she says, "Please take the train"
You'll know the Lady's In Love With You
And if she writes you each day
Although there's nothing to say
Yes, yes. The Lady's In Love.
How true!
And if she phones, but she doesn't reverse the charges
Like all kinds of lady friends often do
Well, Sir, here's just how it stands
You've got romance on your hands
Because the Lady's In Love With You

If she goes deaf, dumb and blind
While you've got things on your mind
You'll know the Lady's In Love With You
If she has met your old flames
And she remembers their names
It means the Lady's In Love With You.
And Sunday night when you take her to see that movie
And she says "The balcony seats will do"
Well, Sir, here's just how it stands
You've got romance on your hands
Because the Lady's In Love With You!
